Dear Mr. Kummerfeldt,

Thank you for your message. I will add you to my email distribution list to receive notices regarding activities of the Interagency Perchlorate Steering Committee. If you could please also send me your mailing address, that would be helpful as well.

In answer to your request for additional information, I am attaching a WordPerfect file with the discussion papers that were sent to registered participants for the Salt Lake City stakeholders forum held on August 25 and the Phoenix stakeholders forum held on August 27.

FYI - The best way to retain the format of the document is to either "launch" into WordPerfect and then print; or "detach" the file, save in WordPerfect, and then print.

Please let me know if you have any questions. Thank you for your interest in the work of the IPSC.
